It's a game where players become Hollywood stars. Playing it online means creating an avatar and dressing up. Here are guidelines for how to play MovieStarPlanet online.About Playing MovieStarPlanet OnlineOnce you create your celebrity avatar, you'll make movies where your avatar is the star. You can purchase accessories, backgrounds, clothing items, jewelry and much more to incorporate into your Hollywood movies. The ultimate goal is to include a lot of elements to attract more viewers. In doing so, you'll achieve more MovieStarPlanet fame.You'll need to make purchases through MovieStarPlanet to help make your movies better. You can do this in its store area each time you earn StarCoins, MovieStarPlanet's main form of currency. One of the best ways to become a prominent movie star on MovieStarPlanet is by earning a lot of StarCoins. That way, you can include multiple elements and items in your movies and continue attracting viewers.Earning StarCoins by Spinning the WheelOnce daily, you can get free StarCoins by spinning the Daily Wheel. The amount of coins you'll earn is determined by the space the spinner lands on, one of which is a jackpot. When you earn VIP status, you'll be able to spin the wheel more than once a day. And when you've accumulated enough points, you head to the Shopping area to buy a new outfit, animation or whatever is on your wishlist, explains the MovieStarPlanet site.Be Sure Your Movies Are QualityIf you're making high-quality movies on MovieStarPlanet, that an excellent way for earning StarCoins. Conversely, if your movies aren't made well, you won't receive any StarCoins. What this means is it's essential that you're taking your time making your MovieStarPlanet movies to ensure they'll earn coins and a lot of views. You also want to ensure all of your movies are rated. Having high-quality movies aids in that effort.Be a Cameo in Other Player's VideosYou can earn StarCoins each time you're featured in another player's movies. Each time you ask another player to involve you in his or her movies, even if it isn't a creation of your own, you will earn coins for your efforts. Each time someone views a movie you're in that isn't yours, you'll earn 50 StarCoins for each of those views. All you have to do is head to the chatroom and ask to be involved. Whether you want to learn how to play for the first time or are an advanced player looking for others to connect with online, there are many options available. From website-based game play to phone apps, here are some popular choices.ChessbaseThere are many online chess websites, but Chessbase is one of the most basic. The moment you go to their website, you'll be able to get started playing. You can see the number of players who are online and ready to play. There are players on the site from all over the world, with a chat room so you can connect with other chess players.If you want to play chess on your phone, check out Zynga Chess. It's an easy way to connect with your friends in real life and play games of chess. The app is available on iPhone and Android. You can connect your profile to social media platforms to find your friends. And while you play, you can talk through a chat box.Spark ChessSpark Chess is the site to go to if you want to play chess against a computer. You start off by choosing your opponent based on your experience level. The computer players range from basic to advanced. There's also a multi-player option available, where you can play with other human players online.Chess KidThe Chess Kid website has a kid-friendly interface. First, choose from a beginner, easy or novice robot to play against. As you play, you can unlock more advanced robots. In addition to the game play, you can also take chess classes. The introduction includes the history of chess, how to set up a game and the basics of how pieces move. Lessons are tailored for kids, or for their parents, coaches or teachers.Chess.comIf you're a beginner and want to learn how to play chess, check out Chess.com. They offer a wide range of materials to help anyone who's getting started. From online chess lessons and chess videos to tactics training, the site can help you learn all the basics and then some. Best of all, these classes can help intermediate and advanced players with computer analysis, chess position studies and more. And when you're ready to get started, you can opt to play live chess with other online players. Or, you can play against the computer. MORE FROM QUESTIONSANSWERED.NET Debussy - Arabesque No.1 (L.66 number 1) - A beautiful, flowing introduction leads us into a magical fantasy. Sweet and tender, this is the first of Debussy's 'Deux Arabesques'. Written in E major and played at a slow tempo it gives a regal, emotional tone. Widely used in popular culture such as in TV themes and advertising. It has also been sampled by Alicia Keys and used in the video game 'Final Fantasy V'.
